

## PROGRAMS QUESTIONNAIRE

October 2007

The Columbia Alumni Association, whose goal is to strengthen the bonds between Columbians through events and programs, is eager to work with EPIC.

If you are interested in giving a lecture to a group of alumni in your region, which would be arranged by the Alumni Association, please fill in the form, below:

Name \_\_\_\_\_

Columbia title \_\_\_\_\_

October 2007

The Faculty House Board of Advisors is attempting to provide a sense of community for new faculty members by way of offering them the opportunity to link with a mentor who is knowledgeable in the ways of Columbia. The Board is hoping that EPIC Fellows might be willing to serve as mentors. This task is not envisioned as an arduous one: perhaps meeting once a term and answering an occasional phone call.

Please fill in the form if you are interested.
